Free 70-697 dumps download from Google Drive: https://drive.google.com/open?id=0B-ob6L_QjGLpd0pjaGx0bzVXVG8 **NEW QUESTION 152**Drag and Drop QuestionYou administer Windows 10 Enterprise tablets and virtual desktop computers that are joined to an Active Directory domain. Your company provides virtual desktop computers to all users. Employees in the sales department also use tablets, sometimes connected to the company network and sometimes disconnected from the company network. You want sales department employees to have the same personal data, whether they are using their virtual desktop or their tablets. You need to configure the network environment to meet the requirements. Which three actions should you perform in sequence? To answer, move the appropriate actions from the lust of actions to the answer area and arrange them in the correct order. More than one order to answer choices may be correct. You will receive credit for any of the correct orders you select.

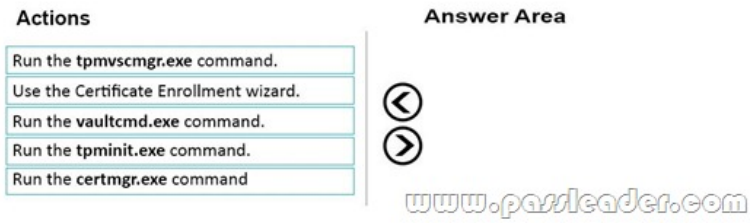

Answer:

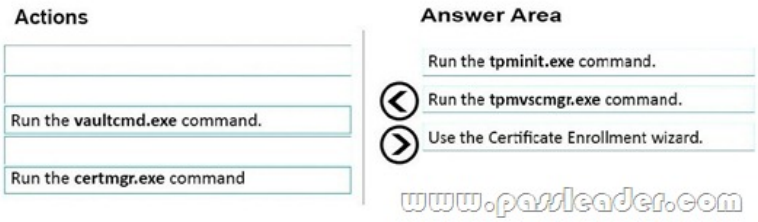

Explanation:https://technet.microsoft.com/en-us/library/cc732275(v=ws.11).aspx **NEW QUESTION 153**You have a laptop that is a member of a workgroup.
